The District was established to provide financing for the design, acquisition, installation, construction and completion of public improvements.

The consolidated service plan for Resort Area Development Metropolitan District Nos. 1-10 was approved by the Town of Winter Park, Colorado, on September 5, 2023.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.
